| <b>説明</b><br>I submitted this a while ago but I believe it got lost, as I didn't submit it as a separate ticket from the issue I was fixing. I've cleaned it up so that it works on latest trunk                                                                |                                     |                      |            |
| journals<br>Please do apply this patch, it would be very much appreciated<br><br>Patch committed in r1415 with slight changes.<br>I considered that a user without 'protect wiki pages' should not be able to delete or rename a protected page.<br><br>Thanks. |                                     |                      |            |
