説明

On wiki's history page, if there is only 1 version, the radio buttons are hided but the show_diff button is still displayed.

To change this, modify the views /wiki /hisory.rhtml at line 33:

```
<%= submit_tag I(:label_view_diff), :class => 'small' %>
```

to:

```
<%= submit_tag I(:label_view_diff), :class => 'small' if show_diff %>
```

journals

I've applied your patch along with a test in r1749. Thank you for your contribution.
