説明

It would be handy to have an filter for issues that filtered on whether issues have any attachments.

journals

Feature added in r16344. You can now filter issues that have/don't have attachments or issues that have/don't have an attachment with a given filename.

related_issues

relates,Closed,12886,Consider adding a new field named "Has Attachments" or "# of Attachments"

relates,Closed,25515,View attachments on the issue list

duplicates,Closed,7744,display issues with attachment in the issue list
