**説明**

"shoulda":<http://www.thoughtbot.com/projects/shoulda> provides a lot of testing helpers and macros to make it easier to test Ruby on Rails. This will help to improve the quality of Redmine's test suite while also making it easier to maintain.

**journals**

Added the shoulda gem in r2925 with some documentation and example tests.

**related\_issues**

relates,Closed,4796,Rails 3 support
