**説明**  
During filling the issue form (with "add watchers" permission) it should be able to select/deselect all of them by one click.

Yes, that's precisely what I have tried to put up in #13555

related\_issues  
relates,New,13555,Project level watchers and notifications  
relates,New,35640,select / deselect watchers with one click when I copy a single issue  
duplicates,Closed,6616,Select All watchers  
duplicates,Closed,3716,Ability to select "all" watchers
