**説明**

It is useful if you want to match the detailed view (#1766), or, like me, if you use custom fields in time entries.

For example, you can create a report like "Member, Custom Field, Project, Issue or Activity".

**related\_issues**

relates,Closed,1766,Custom fields should become addable to Spent Time list/report  
relates,New,4249,Generate report by custom fields on a project  
duplicates,Closed,5246,Interesting to create detailed reports
