説明			
Hi !			
Issues cannot be assigned to some users, but these users are still displayed in issue summary (first column, third row).			
journals			
I wrote a patch. With this patch, only assignable users are listed as "Assignee" in the issues summary page.			
<hr/> <hr/>			
@Go: how does this patch behave in light of the concern expressed by Felix in #7645#note-1?			
related_issues			
relates,New,7645,Issue summary should filter Assignee & Author lists duplicates,Closed,5695,Problem with assignable users in the report page
