| <b>説明</b><br>Sometimes an issues could includes more than 40 notes and from the note 20 it become off the topic totally. Could Redmine has a function so that I can split these notes to an new issue with new topic.<br><br>Cheers, |                                     |                      |            |
