**説明**

This issue is reported at "note-85":<http://www.redmine.org/issues/4455#note-85> of #4455 .  
As I described at "note-86":<http://www.redmine.org/issues/4455#note-86> of #4455 , template keyword at source:tags/1.0.2/lib/redmine/scm/adapters/mercurial/hg-template-1.0.tpl#L4 is @isodate@ .  
@isodatesec@ is supported since Mercurial revision "8999d1249171":  
<http://mercurial.selenic.com/hg/hg-stable/rev/8999d1249171> , which means Mercurial 1.0 has it.

Following is @hg log@ output of source:/tags/1.0.2/test/fixtures/repositories/mercurial\_repository.tar.gz .

```
$ hg log -r 76bce72867b1 --template='{date|isodate} /n'
2007-12-14 16:15 +0100
```

```
$ hg log -r 76bce72867b1 --template='{date|isodatesec} /n'
2007-12-14 16:15:51 +0100
```

There are my patches at following links.

- <http://www.redmine.org/attachments/4219/hg-isodatesec.patch>
- <http://bitbucket.org/yuja/redmine-mq-issue4455/src/d6bc15c54f5d/hg-isodatesec.patch>

I pushed it to my github repository.

- <http://github.com/marutosi/redmine/commits/hg-isodatesec>
- <http://github.com/marutosi/redmine/commits/c60463816bd02fbadb61>

English locale does not show seconds, but Italian locale shows seconds.

- source:/tags/1.0.2/config/locales/en.yml#L22
- source:/tags/1.0.2/config/locales/it.yml#L20

I post Italian locale images.

h3. Before patch applied

journals

As I described at "note-164":<http://www.redmine.org/issues/4455#note-164> of #4455, bug fix for this issue is no behavior change (very minor behavior change).

I attach attachment:hg-isodatesec.patch again.

This patch is same with <http://www.redmine.org/attachments/4219/hg-isodatesec.patch> at "note-144":  
<http://www.redmine.org/issues/4455#note-144> of #4455,

Please set this issue target 1.0.4.

---

I have updated unit test to switch Mercurial version higher than 1.0 or not.  
Because template keyword 'isodatesec' is supported supported in Mercurial 1.0 and higher.

I attache attachment:hg-isodatesec-20101128.patch .

Please set this issue target 1.0.4.

---

Is next release version 1.1.0?

Could someone set this issue target to next release version?

---

Committed in r4561.

---
