This helps to see the number of issues in a project before to enable / disable mail notifications on it.

The patch provided is against Redmine V1.2.1

journals

Changing this from "feature" to "patch", thank you Jérôme !

Any chance that this simple and straightforward patch can be integrated ?

Updated Jérôme BATAILLE's patch for the current trunk.

Hi, thanks for the patch update, and to have put it as a candidate for next major release.
