| 説明                                                                                                                                                                                     |                                      |                      |            |
| It would be useful to show a resource base histogram showing estimated hours per day per assigned resource and the tasks/ issues assigned. This would make resource usage much easier. |                                      |                      |            |
