説明			
Make the font of the subjeckt bigger			
Css :			
<pre>.issues td.subject { font-weight:bold; }</pre>			
<pre>.issues tr[class*='idnt-'] td.subject { font-weight:normal; }</pre>			
journals			
Update : only if issues sorted by parent task :			
<pre>.issues.sort-by-parent.sort-asc td.subject { font-weight:bold; }</pre>			
<pre>.issues.sort-by-parent.sort-asc tr[class*='idnt-'] td.subject { font-weight:normal; }</pre>			
I suppose that because it's only css modifications, it can be put in a theme.			
So you can close this issue.
