説明			
In an issue list, it is possible to filter by Project custom field but it is not possible to display those project custom fields in the issue list (fields not present in Options/Available columns)			
journals			
Already implemented in a patch for the Extended_fields plugin			
http://projects.andriylesyuk.com/boards/18/topics/141-interest-in-the-ability-to-add-project-s-custom-fields-to-issues-lists-queries			
related_issues			
duplicates,Closed,19094,'View all Issues' adds project custom fields			
duplicates,Closed,29131,'View all Issues' adds project custom fields Columns displayed on the issue list
