説明

When trying to bulk edit issues, I'm seeing that the Status drop down is not getting updated when I change the project. The project & tracker my issues start out in only has three statuses available. When I change the project & tracker, I should see seven statuses become available based on the project & tracker selected. However, I that drop-down is not getting updated.

The status drop-down gets updated correctly if I updated the same issues individually.

Environment:

Redmine version	2.6.0.stable
Ruby version	1.9.3-p484 (2013-11-22) [x86_64-linux]
Rails version	3.2.21
Environment	production
Database adapter	PostgreSQL

SCM:

Mercurial	2.8.2
Filesystem	

Redmine plugins:

redmine_checklists	3.0.2
redmine_drafts	0.2.0
