Fixed this bug			
Marius BALTEANU wrote in #27754#note-7: I think that we should fix also the related issue (#22532) because is almost on the same topic. I agree with Marius. I think it would be better to deliver this fix along with #27754. Setting target version to 3.4.4. The patch attached by Artur Borisovich still applies cleanly. I've added a test for it and I think that we can fix this issue. LGTM. I will commit this fix within a few days. Committed to the trunk. Thank you. Merged to 3.4-stable. Go MAEDA wrote: Merged to 3.4-stable. Nice, thank you.
