説明			
This patch fixes the currently missing parts in the german translation.			
journals			
Perhaps someone of my German fellows can take a short glimpse on it... ;-)			
Standard-Spalen in der Zeiten-Auflistung			
A 't' is missing. A '-' is not necessarily required.			
Kein Tracker verwendet diesen Status in seinem Workflow			
Should be plural? <u>Kein Tracker verwendet diesen Status in den Workflows</u>			
Hey Robert,			
thank you for your fast response. :-)

Missing 't' is fixed. I've included the '-' to give it a similar look as in the @Tickets@ tab where the label is <u>Standard-Spalen in der Ticket-Auflistung</u>			
Kein Tracker verwendet diesen Status in seinem Workflow			
Should be plural? <u>Kein Tracker verwendet diesen Status in den Workflows</u>			
You're right. This version sounds more coherent.			

Bernhard, please assign this issue to me if you think the translation patch is ready to commit.

I have updated my patch to the latest trunk revision and added translations for the in the meantime added labels.

LGTM :-)

Committed the patch. Thank you for your contribution!
